

## *Our Free Gut Health Talk project is expanding and we are recruiting!*

AC Health & Nutrition are looking for a number of Dietitians to join our existing team of 14 RDs delivering our educational training sessions to HCPs nationwide. The focus is to increase the awareness of gut health and support (IBS in particular) through evidence-based solutions such as probiotics.

I regularly deliver these sessions and they go down extremely well with the audience, plus there is an incentive for each participant who attends the training session.

You will receive full training (travelling expenses reimbursed) before being responsible for delivering the 30-minute educational training sessions which you will present either face-to-face or virtually.

We are looking for a number of Dietitians across the UK. The counties below are listed by region, but these can be split into individual counties or groups of counties based upon your preference:

East of England – Bedfordshire/Cambridgeshire/Norfolk/Suffolk  
London and the Home Counties – Hertfordshire/Buckinghamshire/Surrey/Kent/North Oxfordshire  
Southern England – East and West Sussex/Hampshire and the Isle of Wight  
South West England – Cornwall/Devon/Somerset/Dorset  
Bristol and Surrounding Areas – Wiltshire/Gloucestershire  
Birmingham and the Midlands -  
Derbyshire/Staffordshire/Leicestershire/Rutland/Northamptonshire/Warwickshire/Worcestershire  
Northern and Southern Scotland

Working patterns are flexible and set by you to suit your individual needs. As a result, you will be responsible for your own working diary and for generating your own leads including:

GP surgeries (private and NHS)  
Dietitian departments  
Gastroenterologists  
Nutritionists

This project expansion will start as soon as we have filled the positions. But we are aiming for asap.

Registered Address: 38 Belfairs Drive, Leigh-on-Sea, Essex, SS9 3AA. Registered No. 5468276

## How to Apply...

**Before applying, please note that this is a self-employed role and you will receive a self-employed contract. All travel costs and mileage (£0.45p per mile) related to the delivery of sessions will be reimbursed.**

Please send a covering letter including:

- An outline of your qualifications and current or most recent job role.
- A brief statement about your interest in the role, past experience of presenting talks, managing your own diary and knowledge of gut health and probiotics etc.
- the geographical area/s that you would be interested in covering.
- your desired pay rate.
- when will you be able to start?
- the duration that you will be able to participate in this project (the project is due to finish in 2026).

Please send to... [events@achn.co.uk](mailto:events@achn.co.uk)

**Next Stage...** If successful we will ask you to attend a telephone interview.

Thank you and good luck.

Alison Clark & The ACHN Team
